John Fryer parents photographs

PERMANENT ID:
14001

IMAGE DESCRIPTION:
Two undated photographs of John Fryer's parents, Ercell R. Fryer and Katherine Z. Fryer. John Fryer famously appeared at the 1972 Annual Meeting disguised as "Dr. H. Anonymous." He spoke about being gay and a psychiatrist. This speech is considered an important event in the decision to remove homosexuality from the Diagnostic and Statistical Manual of Mental Disorders (DSM). His papers contain many correspondences with his parents.
