The Goals of Medicine

Straight is better than gay
Skin is better than fat
In shape is better than fat of form
Non-alcoholic is better than alcohol
Life is better than death
Allergies are better than no allergies
Died better than disabled
Fell on my feet than flat
Fall straight better than tilted
Where a hero "Hilltops are for the best"
For no particular reason
- general report
- non-cooperative family
- suicide
- procrastination
- egotistical
