John Fryer notes for Dr. Henry Anonymous speech, 1972

PERMANENT ID:
14056

DATE:
March 13, 1972

IMAGE DESCRIPTION:
These handwritten notes are in preparation for Fryer's participation on a discussion panel during the American Psychiatric Association's 1972 Annual Meeting. He appeared disguised as "Dr. H. Anonymous" to discuss being gay and a psychiatrist. This speech is considered an important event in the decision to remove homosexuality from the Diagnostic and Statistical Manual of Mental Disorders (DSM).

FORMAT:
Manuscripts
