PERMANENT ID:
14060

IMAGE DESCRIPTION:
A photograph in the John Fryer papers collection, this image shows Fryer's parents, Ercell R. Fryer and Katherine Z. Fryer, with two unidentified women. John Fryer famously appeared at the 1972 Annual Meeting disguised as "Dr. H. Anonymous." He spoke about being gay and a psychiatrist. This speech is considered an important event in the decision to remove homosexuality from the Diagnostic and Statistical Manual of Mental Disorders (DSM).
