Advisement, Monsanto Chemicals
PERMANENT ID:
9190

DATE:
September 1939

IMAGE DESCRIPTION:
Advertisement for Monsanto Chemicals from 1939 featuring a reproduction of a painting by Felix Schmidt. In the scene, a number of African American men, women, and children work in a cotton field. The tagline reads, "It's plastics picking time down South." The copy refers to the scientific advances that create plastics from cotton.
